TMEA 2012 Convention
Elementary Volunteer Form

WE NEED YOUR HELP! You and other volunteers like you are what make our conventions a great success year after year. Here is how you can help.

Presiders – introduce the clinician, make announcements, sit at the front to be available to the clinician before, during and after the session, and keep track of the time
Office Assistants – be in the office to answer questions, file handouts as they come in and register presiders as they check in.
Registration – assist the convention bureau registrars and keep track of membership forms as they come in

TMEA CLINIC/CONVENTION
February 9 – 11, 2012 – San Antonio, Texas
