**Trim (17" x 11"):** The magazine trims to this size. This is the document or artboard size.

**Live (0.25" from the trim and 0.5" from center):** Constrain text and graphic elements that you want to be fully visible to this centered dimension.

**Bleed (0.125" on all sides):** For background graphics to print to the edge of the trimmed page, they must extend beyond the trim size on the submitted PDF. When you create a document or artboard, enter 0.125" bleed on all sides (then include this bleed when you export to or save as a Press Quality PDF).
