**Trim (17" x 11"):** The magazine trims to this size. This is the document or artboard size.

**Live (0.375" from the trim / 0.75" gutter\*):** Constrain text and graphic elements that you want to be fully visible to this dimension.

*\* Center spreads (special placement request) require no gutter. Not available in the Clinic/Convention program.*

**Bleed (0.125" on all sides):** For background graphics to print to the edge of the trimmed page, they must extend beyond the trim size on the submitted PDF. When you create a document or artboard, enter 0.125" bleed on all sides (then include this bleed when you export to or save as a Press Quality PDF).

**Submitted PDF size: 17.25" x 11.25"**
