INDEPENDENT AUDITORS' REPORT

To the Board of Directors Texas Music Educators Association, Inc., Subsidiary and Affiliate Austin, Texas

We have audited the consolidated financial statements of the Texas Music Educators Association, Inc. (a nonprofit organization exclusive of the financial activities of its chapters and regions), its Subsidiary and Affiliate, which comprise the consolidated statement of financial position as of June 30, 2019, and the related consolidated statements of activities, functional expenses and cash flows for the year then ended, and the related notes to the consolidated financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these consolidated financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of the consolidated financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these consolidated financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the consolidated financial statements are free of material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the consolidated financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the consolidated financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the consolidated financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the consolidated financial statements referred to above present fairly, in all material respects, the consolidated financial position of the Texas Music Educators Association, Inc., Subsidiary and Affiliate as of June 30, 2019, and the consolidated changes in its net assets and cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS

June 30, 2019

1. Summary of Accounting Policies

This summary of significant accounting policies for the Texas Music Educators Association, Inc., Subsidiary and Affiliate (the Association) is presented to assist in understanding the Association's consolidated financial statements. The consolidated financial statements and notes are representations of the Association's management who is responsible for their integrity and objectivity. These accounting policies conform to accounting principles generally accepted in the United States of America (GAAP), and have been consistently applied in the preparation of the consolidated financial statements.

General Purpose

The accompanying consolidated financial statements include accounts of the Texas Music Educators Association, Inc. (TMEA), its wholly owned for-profit subsidiary Music Educators Business Enterprises, Inc. (MEBE), and the Texas Music Educators Symposium Fund (Symposium), a nonprofit entity.

TMEA is incorporated under the laws of the State of Texas. The purpose of TMEA, as outlined by its charter, is (a) the promotion of music education; (b) the maintenance of a cooperative relationship with the State Department of Education for the development of a better program of music education in Texas; (c) to maintain a cooperative relationship with other music education associations. TMEA is governed by an executive board consisting of eight elected members who serve without compensation. TMEA's support comes primarily from membership dues and exhibit and registration fees for the annual convention.

MEBE was formed in 1987 to assume certain business activities unrelated to the TMEA's exempt purpose and to expand the services provided to TMEA's members. MEBE was closed during the year ended June 30, 2019. The Symposium Fund, that shares the same management of TMEA, dispenses scholarships to deserving students for educational endeavors.

Reporting Entity

TMEA, its subsidiary, and its affiliate, for financial purposes, includes all of the financial activities relevant to their operations, exclusive of the financial activity of the chapters and regions. Chapters and regions operate at local levels to contribute to the goals of the Association.

Principles of Consolidation

All significant inter-company accounts and transactions between TMEA and MEBE have been eliminated in the combination. The activity of the Symposium Fund has been consolidated with the activity of TMEA and MEBE.

1. Summary of Accounting Policies (continued)

Financial Statement Presentation

Financial statement presentation follows the recommendation of the "Financial Statements of Not-For-Profit Organizations" section of the Accounting Standards Codification (ASC). Under the ASC, the Association is required to report information regarding its financial position and activities according to two classes of net assets as applicable.

- a) Net assets without donor restrictions Net assets available for use in general operations and not subject to donor (or certain grantor) restrictions. Net assets without donor restrictions include the revenues and expenses of the primary operations of the Association.
- b) Net assets with donor restrictions Net assets subject to donor (or certain grantor) imposed restrictions. Some donor-imposed restrictions are temporary in nature, such as those that will be met by the passage of time or other events specified by the donor. Other donor-imposed restrictions are perpetual in nature, where the donor stipulates that resources be maintained in perpetuity. Donor-imposed restrictions are released when a restriction expires, that is, when the stipulated time as elapsed, when the stipulated purpose for which the resource was restricted has been fulfilled, or both. Net assets with donor restrictions consisted of contributions for scholarships as of June 30, 2019.

Basis of Accounting

The financial statements of the Association have been prepared on the accrual basis of accounting and accordingly reflect all significant receivables, payables, and other liabilities. Contributions received (including unconditional promises to give) are recorded as donor restricted in the period received depending on the existence and/or nature of any donor restrictions. Conditional promises to give are recognized as assets and revenues as allowable costs are incurred.

Property, Equipment and Depreciation

Property and equipment are recorded at cost and depreciated using estimated lives of five to forty years on the straight-line method. It is the Association's policy to capitalize expenditures for these items in excess of \$500. When assets are retired or otherwise disposed of, the cost and related accumulated depreciation are removed from the accounts, and any resulting gain or loss is recognized in the period. Maintenance and repairs are charged to expense as incurred, and significant renewals and betterments are capitalized.

1. Summary of Accounting Policies (continued)

Membership Revenue Recognition

Income from membership dues is deferred and recognized as revenue over the periods to which the dues and fees relate.

Federal Income Taxes

TMEA is exempt from Federal income taxes under Section 501 (c) (3) of the Internal Revenue Code. Provision for income tax on unrelated business income is made when required for income from non tax-exempt activities. The Symposium is exempt from Federal income taxes under Section 501(c)(3) of the Internal Revenue Code. MEBE is a for-profit Corporation that incurred federal income tax in the amount of \$-0- for the year ended June 30, 2019.

Each organization has adopted the recognition requirements for uncertain income tax positions as required by GAAP, with no cumulative effect adjustment required. Income tax benefits are recognized for income tax positions taken or expected to be taken in a tax return, only when it is determined that the income tax position will more likely than not be sustained upon examination by taxing authorities. Each organization has analyzed the tax positions taken in its filings with the Internal Revenue Service and state jurisdictions where it operates. Each organization believes that its income tax filing positions will be sustained upon examination and does not anticipate any adjustments that would result in a material adverse effect on the organization's financial position, changes in net assets or cash flows. Accordingly, each organization has not recorded any reserves, or related accruals for interest and penalties for uncertain income tax positions at June 30, 2019. Each organization is subject to income tax audits for the previous three years which are open. There are currently no income tax audits for any tax periods in progress.

Estimates

The preparation of financial statements in conformity with GAAP requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

Cash and Cash Equivalents

For purposes of the statement of cash flows, the Association considers deposits in banks and money market accounts as cash and cash equivalents, unless designated for investment purposes.

1. Summary of Accounting Policies (continued)

Investments

Investments are stated at fair market value and consist of mutual funds in debt and equity securities, money market funds, and asset backed U.S. government securities. Unrealized gains and losses are reported in the statement of activities as increases or decreases in net assets without donor restrictions unless their use is restricted by explicit donor stipulations or by law.

Functional Allocation of Expenses

The costs of providing the various programs and activities of the Association have been summarized on a functional basis in the statement of activities. The statement of functional expenses reports the natural classification detail of expenses by function. Expenses that can be identified with a specific program or relate to a specific source of revenue are allocated directly to that program. Indirect expenses have been allocated based on management's estimates.

Change in Not-for-Profit Accounting Standards

On August 18, 2016, FASB issued accounting standards Update (ASU) 2016-14, Not-for-Profit Entities (Topic 958) – *Presentation of Financial Statements of Not-for-Profit Entities*. The update addresses the complexity and understandability of net asset classification, deficiencies in information about liquidity and availability of resources, and the lack of consistency in the type of information about expenses and investment return. ASU 2016-14 has been implemented and the presentation in these financial statements has been adjusted accordingly.

2. Concentration of Credit Risk

Financial instruments which potentially subject the Association to credit risk consist of cash, investments and accounts receivable. The Association has no formal policy which limits credit exposure for balances exceeding federal insurance limits by restricting the amount which may be deposited with any one financial institution. The Association's deposits exceed the federal insurance limits as of June 30, 2019 in the amount of \$1,737,408.

Investment securities are exposed to various risks, such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the near-term could materially affect the amounts reported in the statements of financial position.

The Association generally does not maintain collateral for its accounts receivable, and does not believe significant credit risk exists as of June 30, 2019.

3. Property and Equipment

Property and equipment at June 30, 2019, consists of the following:

Building	\$ 1,072,210
Furniture and equipment	315,400
Total depreciable assets Less accumulated depreciation	1,387,610 (722,220)
Building and equipment, net Land	665,390 202,898
Net property and equipment	\$ 868,288

The Association recognized depreciation expense in the amount of \$62,067 for the year ended June 30, 2019.

4. Leased Employees

Beginning on October 1, 2006, the Association began leasing its employees through Insperity. Insperity pays the employees and provides employee benefits such as health, dental, and life insurance, along with a 401k plan. TMEA paid Insperity \$1,152,236 for leased employees for the year ended June 30, 2019.

5. Leases

Beginning July 1, 2016, the Association began leasing office equipment at a monthly rental rate totaling \$822 under a 60 month agreement. Rental expense under the operating leases totaled \$13,504 for the year ended June 30, 2019.

Future minimum lease payments are as follows:

Year	 Amount
2020	\$ 9,864
2021	 9,864
Total	\$ 19,728

6. Net Assets With Donor Restrictions

Net assets with donor restrictions at June 30, 2019 include contributions to be used for scholarship funds as follows:

TMEA Symposium Fund (Purpose restrictions)	\$ 858,610
Total	\$ 858,610

Net assets with donor restrictions of \$214,750 were released from restrictions due to satisfaction of purpose during the year ended June 30, 2019

7. Fair Value of Financial Instruments

The requirements of Fair Value Measurements and Disclosures of the Accounting Standards Codification apply to all financial instruments and all nonfinancial assets and nonfinancial liabilities that are being measured and reported on a fair value basis. Fair value is a market-based measurement, not an entity-specific measurement. For some assets and liabilities, observable market transactions or market information might be available. For other assets and liabilities, observable market transactions and market information might not be available. However, the objective of a fair value measurement is the same in both cases – to estimate the price at which an orderly transaction to sell the asset or to transfer the liability would take place between market participants at the measurement date under current market conditions (that it, an exit price). Fair Value Measurements and Disclosures also establish a fair value hierarchy that prioritizes the inputs used in valuation methodologies into the following three levels:

- Level 1 Inputs Quoted prices (unadjusted) in active markets for identical assets or liabilities that the reporting entity can access at the measurement date.
- Level 2 Inputs Inputs other than quoted prices included with Level 1 that are observable for the asset or liability either directly or indirectly.
- Level 3 Inputs Unobservable inputs for the asset or liability.

The following table represents assets and liabilities reported on the statement of financial position at their fair value as of June 30, 2019 by level within the fair value measurement hierarchy.

The fair value of the Association's remaining current assets and current liabilities approximate the carrying amounts of such instruments due to their short maturity.

8. Liquidity and availability

Financial assets available for general expenditures, that is, without donor or other restrictions limiting their use, within one year of the statement of financial position date, comprise the following:

Cash and cash equivalents	\$ 667,187
Investments	9,287,795
Accounts receivable	30,861
Less net assets designated for scholarships	(858,610)
Financial assets available for general expenditures within one year	\$ 9,127,233

The Association does not have a formal liquidity policy, but intends to meet cash needs through convention revenue, membership dues, program and advertising fees and meeting budget expectations.

9. Subsequent Events

Subsequent events are events or transactions that occur after the statement of financial position date but before the financial statements are issued. Management evaluated subsequent events through the date of the issuance of the audit report, December 12, 2019, and there were no subsequent events to disclose.
